

## ***Wishing you all a wonderful 2022!***

*(or as the dance world likes to call it, twenty-tutu)*

January is a very busy month as many students prepare for Cowichan Music Festival and other competitions. Attendance in studio or on Zoom is very important. Some teachers may also send out practice videos. Please help support your student do their very best by encouraging them to practice.

Students are also busy preparing for examinations in Ballet and Modern, which will be held in the spring. Teachers will be contacting families soon to discuss who will be ready to take part.

*Remember, when School District 79 calls a "Snow Day" our studio does as well. We will always e-mail and update our social media.*

## **Bottle Drive**

**January 23 from 10-2pm**

Please save your bottles and cans for our first fundraiser of the year. Our parent committee and students will be raising funds for educational opportunities and trips like Disneyland.

Help us out by dropping your returns off at the studio or let us know where to come pick them up.

*Thank you.*

## **COVID UPDATE**

Thank you to everyone for continuing to do their daily health checks and joining us on Zoom when feeling unwell.

We are proud to have kept our studio a safe place for all by keeping the same safety protocols in place throughout the pandemic. The studio is still thoroughly cleaned each day, with high touched surfaces cleaned between classes.

Waiting rooms remain closed and there is no gathering of classes as each studio has their own entrance and exit. Wearing masks, sanitizing or washing hands, plus all the other little steps add up to keeping our studio doors open. If you have any questions or concerns about what is happening at the studio please do not hesitate to contact us.
