

Student & Parent Handbook

Margaret Carlson opened Carlson's School of Dance (then Duncan Studio of Dancing) in 1954. From teaching classes in her attic, we have grown to four studios with ballet, jazz, tap and hip hop as well as courses in musical theatre, contemporary and more. Mrs. C's amazing energy and love of dance continues on in our teachers that hold a variety of training as well as being registered with the Royal Academy of Dance and International Society of Teachers of Dancing.

We are proud to offer our students the opportunity to perform in the community, at festivals and competitions, as well as take part in examinations that are recognized worldwide. We believe in offering dance to a diverse group of students and staying inclusive to all abilities and ages. We strive to teach the love of dance.

To learn more about the studio faculty, check out our website: www.carlsons.ca

Contact Information

Our office is located at 3274 Sherman Rd.
E-mail: info@carlsons.ca Phone: 250-746-6456

Follow us on Facebook (Carlson's Dance) and Instagram @carlsonsdance for updated information.

Join our "Carlson's Daily" Facebook group where our studio community comes together for updates and sharing information.

Registration

Before getting started in class, it's important that all students and/or parents fill out and sign registration paperwork so we can ensure we have the most up-to-date contact details for you. We believe in discussing registration with each family to find what's best for you. We hold in person registration in June, August, and September and can set up a time that works with you to discuss your class options.

How to be a good dance parent:

- follow policies and dress code
- trust the process and that our staff truly care about what's best for your child
- be encouraging, no negative speaking
- be informed and go directly to the source (the office) if something is unclear
- be positive and celebrate other dancers
- arrive at the studio 10 minutes before class - this allows you to check in with the studio and friends can chat before class (instead of in class, wasting your money!)
- always remember we are about great performing and personal improvement, not about outshining someone else

Always let them know you are proud - no matter what!

The ideal student is a good listener, always ready for class, and committed to the group with good attendance. Enthusiastic students with high energy that attend class with a positive attitude and work as a real team player will get the most out of dance.

Through participation in competitions and in our community, we hope to instill in our students an appreciation for other dancers and schools.

We all share the same passion and love of dance. It is important we work together as a team and support our community and other dancers.

*Solos, duos,
trios, and other
private lessons*

At Carlson's we encourage all our students to work privately on their skills or on competition and festival work if they wish to do so. If you take an hour a week or ten, we believe all students should be given the opportunity. Our teachers are happy to work with you, just contact the office and we can help arrange it.

Studio Policies & Information

In the Studio

- Students that arrive late to class may be asked to sit and watch to protect them from injuries due to an inadequate warm up
- With the exception of Watching Week and classes with students under the age of 3, no visitors of students are permitted in the studio to watch
- No food or drink is permitted in the studio other than water
- We have students with scent sensitivities and ask no perfumes be worn to class
- Politeness and respect to everyone is expected*
- No cell phones are permitted in the studio
- Dress code must be followed
- No street shoes in the studio (indoor, non-marking sole shoes for hip hop please)
- Prompt pick ups are appreciated as we cannot always monitor students

Attendance

- If a student will be away the office should be notified as soon as possible
- It is expected that missed work will be learned from another student before next class
- If your child has an injury of any sort, please inform the office. Injured students should sit in on class and take notes

Absent students hold the entire class back as lost lessons must be repeated for their benefit. The focus of our classes is learning, not repeating. If a student misses three or more lessons they may not be ready to perform with their class and could be asked to understudy. Repeat absences will result in the student being asked to leave the class. No refunds will be given under these circumstances.

Cancellation of Classes

If a class must be cancelled you will be notified via e-mail and a post will be shared in our "Carlson's Daily" Facebook Group. When School District 79 cancels class due to weather we do as well.

Non-Competitive Agreement

We ask that students taking classes at other studios or taking part in dance opportunities elsewhere let us know so we can make sure to avoid conflicts and celebrate their achievements.

The safety and well being of our students is our #1 priority.

If a student is injured during class, the incident will be reported to the office so we can follow up with the family. Emergency services and parents will be called immediately in the case of serious injury.

At Carlson's we also recognize mental health is important and we will be mindful of how we speak to our students.

Schedule

If enrolment is fewer than 6 students the studio reserves the right to cancel the class. The schedule is subject to change based on enrolment and demand. The studio will work with your family to find another class to suit your student should this occur.

Communication

We are BIG on communication at Carlson's. We strive to inform our dance families as best we can with what's happening at the studio. For convenience, our primary means of communication is by e-mail. You will receive regular newsletters and important information via e-mail so ensure you have provided the studio with an up-to-date address that is regularly checked. You may also need to check folders other than your inbox or add us to your contact list so things don't get sent to trash. If you would like to contact a teacher please let the office know and we can get them to contact you.

Withdrawal

Withdrawal from classes requires one month's written notice (e-mail is acceptable). Failure to notify the office will result in a charge equal to one month's payment. Any fees that are not received by the first week of classes will incur a late registration surcharge of 5%.
No refunds are given after April 1st.

Class Placements

Our teachers have the student's best interest in mind when finalizing class placements. It may take time to assess a placement and students may be asked to try other classes to find their best fit. This process is important for success and we appreciate your cooperation. Students may be considered to work at a higher level than they are assessed but only under teacher permission and as an understudy.

Parking

At our Sherman Road studios during COVID-19, we ask that students get dropped off at the back of the building and picked up from the front. Please do not use parking spaces in front of other establishments during their business hours.

Costumes

Costume deposits are payable no later than October 15th and cannot be refunded once the costume has been ordered. We do our best to keep within the deposit budget but there may be times that we need to collect a little extra when the costume comes in. Students must only wear their costumes for dress rehearsals and performances until the season is completed in June.

Performances

We hope all of our students will want to take part in our year end recital as this is where all the hard work they have put in through out the year is showcased in 3 exciting shows. If you do not wish to participate, please inform the studio as soon as you can. Costumes are ordered as early as November and costs will be incurred if we are not notified. Our recitals and rehearsals are held at the Cowichan Performing Arts Centre.

Show Schedules

If your child is only in two classes, or if you have siblings in two classes, we try our best to schedule the performances so that they are in the same show, though we cannot always guarantee this is possible. Show schedules come out in our May Newsletter.

Choreography

Not all classes will do performance pieces. For example, some of our students take multiple ballet classes and only one may work on choreography so that the other class can focus on syllabus and technique. Other classes that may not have performance choreography are skills, tech, and conditioning classes.

Carlson's Dance teachers are committed to keeping all choreography age appropriate.

Rehearsals

Stage rehearsals are a super important part of preparing for our recital. It gives us a chance to make any adjustments and ensure that everyone has time to get ready between their dances. We can see if any costumes are missing pieces or need last minute alterations. Even more important, it gives the stars of our show a chance to get up and rehearse on the big stage –a very different environment than they are used to within the studio walls. They can overcome some of the jitters that may hit when the bright lights come on and really prepare themselves for the show ahead. It is a fun and rewarding experience and a great chance to play with their friends and watch some inspiring dancers as they wait for their turn in the spotlight.

Please try not to bring anything valuable to the theatre, especially electronic devices. Our studio and the venue will take no responsibility if an item is damaged, misplaced, lost or stolen.

The opportunity to perform in a recital is an exciting, empowering and confidence building part of the training process. This is where we love to watch our students learn about the theatre, rehearsals and teamwork while they enjoy the opportunity to showcase their skills in a professionally run production. We love giving all students the chance to perform for their family and friends in this supportive and fun environment and encourage even our youngest and newest performers to be involved.

COVID-19

Protocols & Expectations

Carlson's is committed to doing all we can to protect our community and keep our studio doors open to in person classes. Current COVID protocols and guidelines can be found below. Please note they are subject to change and updates will be made when required.

Youth (19 and under)

We have received confirmation from health officials that proof of vaccination is not required for indoor youth recreational sports (people 19 years of age or younger) and at this time our classes fall under this category. Our dance classes have a team of the same students attending each week (no drop ins) where we can keep distancing and masks at all times.

- Please wait in your vehicle or on a spot outside until you see your teacher at the door to let you in, *our waiting rooms are closed at this time.*
- Parents please help younger students change their shoes before they enter.
- All students will sanitize or wash hands upon entry.
- Masks are recommended for students under 9 and required for those 10+, but when actively engaged masks may be removed when distancing in place.
- Students will maintain social distance, all studios have been marked for safe spacing.
- High-touch surfaces will be sanitized between classes and studios thoroughly cleaned daily.
- Students are asked to do a daily health check before attending class. If you are unwell, please stay home and we can sort out a class for you to attend in lieu of the one missed.
- Classes will be dismissed 5 minutes early. This is to allow one group to exit before the next enters and time to sanitize surfaces. At our Sherman Rd studios drop off will be in the back of the building and pick up along the front.

20 & Over

At this time, students over 19 must show proof of vaccination to attend class.

- Please wait in your vehicle or on a spot outside until you see your teacher at the door to let you in, *our waiting rooms are closed at this time.*
- All students will sanitize or wash hands upon entry.
- Masks are required for those 10+, but when actively engaged masks may be removed when distancing in place.
- Students will maintain social distance, all studios have been marked for safe spacing.
- High-touch surfaces will be sanitized between classes and studios thoroughly cleaned daily.
- Students are asked to do a daily health check before attending class. If you are unwell, please stay home and we can sort out a class for you to attend in lieu of the one missed.
- Classes will be dismissed 5 minutes early. This is to allow one group to exit before the next enters and time to sanitize surfaces.
